AGE IS NOT A CONDOM.

Americans aged 50 and older have many of the same HIV risk factors as younger Americans. Educate yourself. Get tested for HIV.

Find HIV Testing Near You:
- Send a text message with your ZIP code to KNOWIT (566948)
- Visit gettested.cdc.gov
- Visit locator.aids.gov
- Contact 1-800-CDC-INFO (1-800-232-4636)

National HIV/AIDS and Aging Awareness Day

September 18th

Visit www.NHAAD.org for more information.
